# A wealth of detail.

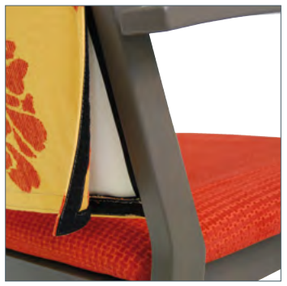
**Home comfort in the care world.**

Meeting the needs of the elderly people without prejudice – the *edward* chair range, a state-of- the-art furniture range, is aimed at the older generation living in care. Design elements deriving from the residential furniture world evoke familiarity, wood as a natural material conveys warmth and intimacy. A concept which meets all requirements as well as being versatile and individual in design.

Lounge chair with upwards sloping arms (optional design of armrests).

Detachable seat covers in impermeable Eratex upholstery are available on request.

The optional cut-out in the backrest makes handling of the chair easier.



Back covers are also detachable on request. Whole back cushion is detachable on inner back upholstered chairs.

Stick holders are also available for every chair.
